The Underground

Datarock

You only live twice
Tomorrow never dies
Youâ€™ll only live twice
If you live through the night

Come take a ride to where dreams are made up
Take a ride to where nothingâ€™s played up
Come take a ride to where dreams are made up, played up, payed up
Hit us with those laser beams

You donâ€™t know where youâ€™re going?
Donâ€™t know what youâ€™re gonna do?
Hear how itâ€™s blowing?
This is the sound of the underground

Do you live for tomorrow?
Do you live for the night?
Hear how itâ€™s growing?
This is the sound of the underground

Youâ€™re going out, the city will inspire you
To dance to the sound of the underground
Youâ€™re going out, thereâ€™s nothing that you canâ€™t do
So dance to the sound of the underground

Know where youâ€™re going
Know what you gotta do
Hear how itâ€™s blowing?
This is the sound of the underground

Live for tomorrow
Live for the night
Hear how itâ€™s growing?
This is the sound of the underground

Youâ€™re going out, the city will inspire you
To dance to the sound of the underground
Youâ€™re going out, thereâ€™s nothing that you canâ€™t do
Ao dance to the sound of the underground

Youâ€™re going out, if you really wanna make it through
Just dance to the sound of the underground
Youâ€™re going out, itâ€™s gonna make you feel brand new
So dance to the sound of the underground

All wrong, all wrong, all wrong, all wrong, alright
Get your body on the floor tonight
All wrong, all wrong, all wrong, all wrong, alright
Get your body on the dance floor tonight

Dance to the sound of the underground
Dance till the worldâ€™s spinning round and round

Youâ€™re going out, and you better let it show
So dance to the sound of the underground
Youâ€™re going out, and you want the world to know
So dance to the sound of the underground
