

Can I Get A Ride

[Donna Beasley](#)

Did I wake you up
Did I wake her up too
I'm sorry but I need a favor from you

Can I get ride
I don't wanna drive
Feeling too high to find my way home

Is it too much to ask
For you to take me somewhere
Let me slide into your passenger side
Can I get a ride

I know it's late
And it's been a while
Wasn't sure of the number till I started to dial

I've been ok
What's that you say
Yeah, its really great to hear your voice too

Is it too much to ask
For you to take me somewhere
Let me slide into your passenger side
Can I get a ride

Is it too much to ask for you to take me somewhere
Let me slide into your passenger side
Is it too much to ask for you to take me somewhere
Let me slide into your passenger side
Can I get a ride
Can I get a ride
