

Reggae Bump Bump

R. Kelly

This is big Chi Twon girls have di badonkadonk
ATL junk in di trunk a bounce
Jamaican girls pat yuh front a clump
Miami girls let mi see yuh jump, jump New York girls can shake that ass
St. Louis girls mi see yuh shake it fast
Midwest girls can shake that ass
Ele and Kelly won't let dem pass, come on We got the place surrounded y'all
This is big a weddy weddy weddy weddy weddy weddy weddy weddy
Mic check ladies one two I can't hear myself turn it up
One two I can't hear myself turn it up one two
I can't hear myself turn it up so a, turn it up turn it up I like it when your booty go bump, bump Ladies
Girl make your booty go bump, bump
How you make your booty go bump, bump
You got a whole lot a junk in your trunk, trunk Girls shake your booty don't stop, stop
Turn around and make your booty pop, pop
Girls shake your booty don't stop, stop
Make it clap, clap clap clap clap, clap Haven't seen a booty like that since the rump shake
That's the kind of booty that makes your bed break
Girl hit the floor turn out the party
Love it when you shake and wind your body You got me wantin' to be with you all the time
You make me wanna pass them chips girls you are so fine
How 'bout me and you go jump in my car
Talk about our future in my car Take a ride to my spot in my car now you in my bed screamin' dada
Don't make no sense how you bring your body down now
Bring it back up and roll it all around now
Clap clap your so good clap, clap The way your bendin' it over clap, clap alright
Your the girl in the top five videos, by tomorrow this will be number one
In or way upside down on the pole
Pretty mama you know your dead wrong, get jiggy gal Girl you roll it like a boat, when you shake it to the floor
When I get you in the door this murder she wrote
See you the hottest chick in the club, sexy superstar hands up
Girl you bump it like that ass is a truck roll it around like, that ass on dubs I like it when your booty go bump,
bump
Girl make your booty go bump, bump
How you make your booty go bump, bump
You got a whole lot a junk in your trunk, trunk Girls shake your booty don't stop, stop
Turn around and make your booty pop, pop
Girls shake your booty don't stop, stop
Make it clap ,clap clap clap clap, clap Back to how she a wiggle di wiggle di booty like a pro

Back it up Mek Kelly go so whooa
 She mek di richter scale mek yuh head point oh
 Like Christina Milian yuh fi dip it low Forget di aftaparty let's roill
 There's no wait no more let's go
 Show love Qid Jamaicans, Haitians, Bajans
 Full to capacity no more accomodation
 How dat gal deh a wine a must a Jamaican How she shake dat booty yuh can tell a who a di fake one
 Earthquake, girl shake yuh booty mek yuh body shake
 Earthquake, so yuh shake yuh body so yuh wreck di place
 Earthquake, yuh melk everybody evacuate Heavyweight ma let yuh bootyb shake, shake
 Shake, riba, riba, shake it seniorita
 Shake it like yuh come from Costa Rica, mamita I like it when your booty go bump, bump
 Girl make your booty go bump, bump
 How you make your booty go bump, bump
 You got a whole lot a junk in your trunk, trunk Girls shake your booty don't stop, stop
 Turn around and make your booty pop, pop
 Girls shake your booty don't stop, stop
 Make it clap, clap clap clap clap, clap All of the ladies think I'm sexy
 'Cause when I walk through the club I gets lots of love
 Oooh, Kells your the one that I'm dreamin' of
 Girl all I wanna be is your fantasy In your dreams take you to my ecstasy
 All alone in my room just you and me
 When we awake it will be a reality
 Girl I'll have your body singin' ooh la la Once I turn it over and hit it real hard
 Boo my only mission is to make you see stars
 Put me up to bat and I'm a knock it out the park
 Shake ya ass riba riba like your Mexican
 The way your frakin' it The way your doppin' it
 And when you bring it back up and move it in slow motion
 Make me wanna move a little closer
 Get you out of here and get somewhere and stroke it
 Because the way you move it's out of control
 Clap clap your so good clap clap, the way your bendin' it over clap clap I like it when your booty go bump, bump
 Girl make your booty go bump, bump
 How you make your booty go bump, bump
 You got a whole lot a junk in your trunk, trunk Girls shake your booty don't stop, stop
 Turn around and make your booty pop, pop
 Girls shake your booty don't stop, stop
 Make it clap clap clap clap clap, clap All of the sexy ladies in this club ladies yuh lookin' like a mermaid
 Throw your hands up come on throw your hands up
 Throw your hands up come on throw your hands up
 And if the DJ is rockin' this club ladies, come on
 Throw your hands up come on throw your hands up
 Throw your hands up come on throw your hands up I like it when your booty go bump, bump
 Girl make your booty go bump, bump

How you make your booty go bump, bump
You got a whole lot a junk in your trunk, trunk Girls shake your booty don't stop, stop
Turn around and make your booty pop, pop
Girls shake your booty don't stop, stop
Make it clap clap clap clap clap, clap Elephant Man and, the R, AKA talkin' for the ladies
Let me know that, we like to feel when, the junk in the trunk
Goes like bop, bop, bop and clap, clap, clap aiyyo Jamaica meets
