Under Control

Gold City

VERSE 1
The Bible Speaks, of famines and trial
In the last day, how he?ll sweep through our lives
But we have His assurance, that through all these trials
We?ll be led by his mighty hands, Manna from God
Will come down from above, to restore and nourish our souls.
So through all of your trials and all of your fears
Remember God has it under control.

Chorus

Under Control

-- Under Control
(The winds obey his will)

(When he speaks the storms will cease)

Oh don?t be afraid

Though the billows may roll
(Oh don?t be afraid)

-- (The billows may roll)

God?s almighty hand

Is still in command
(hand

-)

-(Still in command)

So rejoice in your soul

-For its under control
(Rejoice in your soul)

-(It?s under control)

Verse II

Now you may be like David of old, And a giant trial you may face
But just when it seems your standing alone, You?ll find Jesus standing there in your place
With a stone of faith, your giant will fall, and Jesus all the Victory will give
So today as back then, In this world so full of sin, Remember God has still got it under Control
