

# Just Another Day

## Riddlin' Kids

Another day's gone by  
And nothin' ever seems to change  
And everything I love  
I'm watchin' waste awaySo what's the matter with me?  
Couldn't tell, I just can't fake it  
And I don't wanna believe  
But this time I just can't take itJust another day in my life  
I don't wanna run out of time  
I don't wanna wake up some day  
And all my life is wasted awayThere's so much that I wanna be  
So everybody, listen to me  
There's so many things on my mind  
Just another day in my life  
Another day in my lifeSo what's the point in life  
If you're not happy everyday  
Well, I could end it all  
And then they'd sayThat it's so hard to believe  
I always thought he'd make it  
And now we never would get to see  
Well, I guess he couldn't take itJust another day in my life  
I don't wanna run out of time  
I don't wanna wake up some day  
And all my life is wasted awayThere's no much that I wanna be  
So everybody, listen to me  
There's so many things on my mind  
Just another day in my life  
Another day in my life  
Another day in my lifeSo what's the matter with me?  
Couldn't tell, I just can't fake it  
And I don't wanna believe  
But this time I just can't take itJust another day in my life  
I don't wanna run out of time  
I don't wanna wake up some day  
And all my life is wasted awayThere's no much that I wanna be  
So everybody, listen to me  
There's so many things on my mind  
Just another day in my lifeJust another day in my life  
Just another day in my life  
Just another day in my life

Just another day in my lifeAnother day in my life

Another day in my life

Another day in my life
