

Blame It On Me

Frankmusik

I'm stuck in a world I can't call mine or home

I'm lost in an answer I can't find alone

Can you rush me to an ending

But save me from the end

I got no more love pretending

I got a broken heart to mend

You blame it all all

Blame it all all

Blame it all

Blame it all all

Blame it all on me

You blame it all all

Blame it all all

Blame it all

Blame it all

Blame it all on me

Now you wonder why I found someone brand new yeah

Well girl I'm better than being just your substitute

Can you rush me to an ending

But save me from the end

I got no more love pretending

I got a broken heart to mend

You blame it all all

Blame it all all

Blame it all

Blame it all all

Blame it all on me

You blame it all all

Blame it all all

Blame it all

Blame it all

Blame it all on me

[x2]I'm feeling so much better

And now I can walk away

And I know I can forget her

I got no reason left to stay

Break a glass

Smash my car

Tear my pictures up
Burn my clothes
Tell your girls
That I ain?t worth a f*ck
Tell the world
That you don?t care
But you cry inside
You better start blaming yourself
Or you can
Blame it all all
Blame it all all
Blame it all
Blame it all all
Blame it all on me
You blame it all all
Blame it all all
Blame it all
Blame it all all
Blame it all on me
Can you rush me to an ending
But save me from the end
I got no more love pretending
I got a broken heart to mend
Blame it all all
Blame it all all
Blame it all
Blame it all all
Blame it all on me
You blame it all all
Blame it all all
Blame it all
Blame it all
Blame it all on me
