Kinda I Want To

Nine Inch Nails

I can't shake this feeling from my head
There's a Devil sleeping in my bed
He's watching you from across the way
I cannot make this feeling go awayI know it's not the right thing
And I know it's not the good thing
Kinda I want to, kinda I want toI'm not sure of what I should do
When every thought I'm thinking of is you
All of my excuses turn to lies
Maybe God will cover up his eyesAnd I know it's not the right thing
And I know it's not the good thing
Kinda I want to, kinda I want to
Kinda I want to, kinda I want toKinda I want to, maybe just for tonight
We can pretend it's alright
What's the price I pay
I don't care what they sayI want to, I want to, I want to
I want to, I want to, I want to
I want to, I want to
