

My One and Only Love

Jamie Cullum

The very thought of you makes
My heart sing,
Like an April breeze
On the wings of spring
And you come to me all your splendor,
My one and only love You fill my eager heart with such desire
Every kiss you give sets my soul on fire
I give myself in sweet surrender
My one and only love The touch of your hand is like heaven
A heaven that I've never known
The blush on your cheek whenever I speak
Tells me that you are my own You fill my eager heart with such desire
Every kiss you give sets my soul on fire
I give myself in sweet surrender
My one and only love The touch of your hand is like heaven
A heaven that I've never known
The blush on your cheek whenever I speak
Tells me that you are my own You fill my eager heart with such desire
Every kiss you give sets my soul on fire
I give myself in sweet surrender
My one and only love
