# Gone

## McBusted

Always the same
Too much the pain
You we're to blame
and I know I got to get myself
Back in the game
Forget your name
I need a change
Cos your such a hazard to my health
The moment that you think there's nothing wrong,
With moving on you know you must be long...
Gone!I'm done thinking about you forever...
and ever...
Now I'm through being used so wrong
Not going back there not ever...
I'm never not for you, not for you,
Long... Gone
Long... GoneNow I can breathe,
Watching you leave.
You can't believe,
That this is what I wanted.
It came so easily,
Setting you free.
Its all I would need,
If you go out there and flaunt it.
The moment that you think there's nothing wrong,
With moving on you know you must be long...
Gone!I'm done thinking about you forever...
and ever...
Now I'm through being used so wrong
Not going back there not ever...
I'm never not for you, not for you,
Long... Gone
Long... GoneI'm doing us both a favour
Let's say goodbye but not see you later on
Cos now I'm long ( gone, gone, gone,)I'm done thinking about you forever...
and ever...
Now I'm through being used so wrong
Not going back there not ever...
I'm never not for you, not for you,

Long... Gone
Long... Gone
( Gone, gone, gone,)
Long... Gone
Long... Gone
( Gone, gone, gone,)
