

# Clear The Stage

## Melted Moon

Clear the stage and set the sound and lights ablaze  
If that's the measure you must take to crush the idols

Jerk the pews & all the decorations, too  
Until the congregations few, then have revival

Tell your friends that this is where the party ends  
Until you're broken for your sins, you can't be social

Then seek the Lord and wait for what He has in store  
And know that great is your reward so just be hopeful

'Cause you can sing all you want to  
Yes, you can sing all you want to  
You can sing all you want to  
And still get it wrong;  
worship is more than a song

Take a break from all the plans that you have made  
And sit at home alone and wait for God to whisper

Beg Him please to open up His mouth and speak  
And pray for real upon your knees until they blister

Shine the light on every corner of your life  
Until the pride and lust and lies are in the open

Then read the Word and put to test the things you've heard  
Until your heart and soul are stirred and rocked and broken

'Cause you can sing all you want to  
Yes, you can sing all you want to  
You can sing all you want to  
And still get it wrong; worship is more than a song

We must not worship something that's not even worth it  
Clear the stage, make some space for the One who deserves it

Anything I put before my God, is an idol  
Anything I want with all my heart, is an idol

Anything can't stop thinking of, is an idol  
Anything that I give all my love, is an idol

'Cause I can sing all I want to  
Yes, I can sing all I want to I can sing all I want to  
And still get it wrong  
And you can sing all you want to  
Yes, you can, you can sing all you want to  
You can sing all you want to  
And still get it wrong; worship is more than a song  
Worship is more than a song

Clear the stage and set the sound and lights ablaze  
If that's the measure you must take to crush the idols
