

Forever

Mindless Behavior

I just hope

This lasts forever

Baby how about we take the long way
So I can spend a little longer by your side

Yeahhh

Take off my shades I wanna see you
So I can stare a little deeper in your eyes

Uuuh

I throw a penny in a wishing well

Uuuh

And made a wish to meet you girl

Uuuh

That's why it's no coincidence that you're here in my world What if forever's standing right next to me

This could be you right here in my arms

Maybe forever isn't so far away

Baby baby tell me if you're her

Are you forever ever, ever

Are you forever

Are you forever ever, ever

Baby are you forever

Yeahh Don't wanna let go when I hug you

Cause that's the moment that you're closer to my heart

Heyy

Those extra seconds that I have you near

Hold me over when ever we are apart

Wooh

I throw a penny in a wishing well

Uuuh

And made a wish to meet you girl

Uuuuuh

That's why it's no coincidence that you're here in my world What if forever's standing right next to me

This could be you right here in my arms

Maybe forever isn't so far away

Baby baby tell me if you're her

Are you forever ever, ever

Are you forever

Are you forever ever, ever

Baby are you forever

Uuuh Can you see us falling deep in love forever

Cause I can see us being how we are forever
Baby say forever
Baby girl I really hope you are What if forevers standing right next to me
This could be you right here in my arms
Maybe forever isn't so far away
Baby baby tell me if you're her
What if forevers standing right next to me
This could be you right here in my arms
Maybe forever isn't so far away
Baby baby tell me if you're her Are you forever ever, ever
Are you forever
Are you forever ever, ever
Baby are you forever
Are you forever ever, ever
Are you forever
