Gone

Andrew Ripp

Never wanted my words back more than i do right now
if i could fire the bullet back into the gun somehow
and i could unsay they things i said
put the hurt back on my tongue
i was wrong, i was wrong
i wish i could tell you that I'm sorry
for the pride that made you wanna run
if only i could tell that I'm sorry
then maybe, just maybe, you wouldn't be gone
maybe you wouldn't be gone
I've been learning to live without someone tp hold my hand
trying to heal a broken heart, start again
if I'd have known then what i know now
i could undo what ive done
i was wrong, i was wrong
i wish i could tell you that I'm sorry
for the pride that made you wanna run
if only i could tell that I'm sorry
then maybe, just maybe, you wouldn't be gone
you would be with me, no you wouldn't be gone
yea just stay with me, let our troubles be gone
never wanted my words back more than i do right now
i wish i could tell you that sorry
for the pride that made you wanna run
if only i could tell that I'm how sorry i am
then maybe, just maybe
yea maybe, just maybe
you wouldn't be gone
maybe you wouldn't be gone
