

I've Got to Love Somebody's Baby

Peter Gallagher

I've got to love somebody's baby
Somebody, somebody, somebody
Sho's been lovin' mineEverybody around me knew it
And I was in the dark for such a long time
I've got to get what she's been givin'Get myself together and start livin'
I've got to hold somebody's baby
I know somebody, somebody, somebody
Sho's been holdin' mineLately yeah, when I try to squeeze her
She says maybe later
But right now I just don't have the time
It's not a mad roving eye, I need a little helpRight now, I'm lookin' out for number one
I'm starvin' for some lovin'
Somebody, somebody, somebodyI have got to love somebody's baby
I know somebody, somebody, somebody
Sho's been lovin' mineYou see, the reason what I know
Somebody's been loving my baby
I've got to find me somebody, somebody to loveSomebody, somebody, somebody, somebody, somebody
(I've got to get)
Somebody, somebody, somebody, somebody, somebody
(What she been givin')Somebody, somebody, somebody, somebody, somebody
Somebody, somebody, somebody, somebody, somebody
