

# This Kid's / Between the Walls (2007 Remaster)

## UFO

Kid's gettin' tired, hangin' around  
So cocksure, thinkin' aloud  
Can't get it in (when you) can't get it out  
Sure ain't enough and there ain't no doubt  
You can't stop a train with just a smile  
Stop me at the start only for a while  
Hole in my pocket and a hole in my arm  
All that's left when life's lost it's charm  
This could be for us just any other day  
So come on girl, we really got to get away  
It's the only chance you'll ever have to change  
Or stick in this city will drive you insane

\*

Can't win or lose when there's little left to choose  
Now 'til next year it'll always be the same  
The black backstreets and people who don't know your name  
Go with the wind if it'll only carry us away
