

# Always Have, Always Will

Jo Dee Messina

I felt so good the day we met  
Like I just discovered a long lost friend  
I knew I loved you from that day on  
I still feel the same even though you're gone  
I just believe in the love we had, too strong Always have, always will  
There's a place in my heart no one else could ever fill  
Life is good, I'm okay, yeah, yeah  
Only God and I know how much I love you still  
Always have, always will I moved on and I'm doing fine  
Since I gave up trying to turn back time  
It doesn't matter who caused the pain  
All the tears are gone only love remains  
I still smile every time I hear your name Always have, always will  
There's a place in my heart no one else could ever fill  
Life is good, I'm okay, yeah, yeah  
Only God and I know how much I love you still  
Always have, always will, yeah, yeah, yeah, yeah
