

# Handle With Care (Extended Version)

# Traveling Wilburys

Been beat up and battered 'round  
    Been sent up, and I've been shot down  
    You're the best thing that I've ever found  
Handle me with careReputations changeable  
    Situations tolerable  
    Baby, you're adorable  
Handle me with careI'm so tired of being lonely  
    I still have some love to give  
    Won't you show me that you really care?Everybody's got somebody to lean on  
Put your body next to mine, and dream onI've been fobbed off, and I've been fooled  
    I've been robbed and ridiculed  
    In daycare centers and night schools  
Handle me with careBeen stuck in airports, terrorized  
    Sent to meetings, hypnotized  
    Overexposed, commercialized  
Handle me with careI'm so tired of being lonely  
    I still have some love to give  
    Won't you show me that you really care?Everybody's got somebody to lean on  
Put your body next to mine, and dream onI've been uptight and made a mess  
    But I'll clean it up myself, I guess  
    Oh, the sweet smell of success  
    Handle me with care
