

Lost

[Kris Allen](#)

I want to thank you for all your help
'Cause you're unto me, you're unto me, I know You tell me all the bad things I didn't know about myself
'Cause you're unto me, you're unto me, I know Maybe I'm lost
Maybe I'm lost
Oh maybe I'm lost
But at least I'm looking
But at least I'm looking I wish your cat would get your tongue
'Cause you're unto me, you're unto me, I know You got your hands in your pocket
And you pull out your wallet with your two cents for every one
'Cause you're unto me, you're unto me, I know Maybe I'm lost
Maybe I'm lost
Maybe I'm lost
But at least I'm looking (Oh)
(Oh) Maybe I'm lost
Oh maybe I'm lost
Maybe you're lost
'Cause you're not looking
Well at least I'm looking
