

Little Suzi

Tesla

Little Suzi's on the up, looking for a get-away
Ruby tries to bring her down, she's lookin' for another way
Little Suzi's on the up, headin' for the spotlights
Ruby finally gives up, lookin' for some quiet nights And the music makes her feel so hot
Ooh and she smiles for the camera with all she's got
Don't bring her down, she's a lot like you
She'll be richer by far if her dreams come true
Little Suzi's on the up Little Suzi's on the up, now suddenly it's not a game
Ruby's got to give up, 'cause Suzi's plainly set on fame
Little Suzi's on the up, constant couch appointments made
Ruby's gonna hang around, to make sure Suzi's okay And the music makes her feel so hot
Ooh and she'll smile for the camera with all she's got
Don't bring her down, she's a lot like you
She'll be richer by far if her dreams come true Don't you bring her down, she's a lot like you
She'll be richer by far if her dreams come true
Little Suzi's on the up And the music makes her feel so hot
Ooh and she'll smile for the camera with all she's got
Don't you bring her down, she's a lot like you
She'll be richer by far if her dreams come true Don't you bring her down, she's a lot like you
She'll be richer by far when her dreams come true Little Suzi's on the up, oh yes she is, Suzi go, Suzi go, Suzi
go!
Now she's on the up, little Suzi's on the up
Heading for the spotlight, oh little Suzi
Oh and the music makes her feel so hot, go little Suzi, oh yeah
Ohh, yeah, yeah, ohh yeah
