

22: The Death of All the Romance

The Dears

I have never cried in anybody's arms
The way that I have often cried in yours
Please be the one to take my tears away I was 22, I've had my share of views
I just can't take that happiness from you
Still I'll be the one to take your tears away I can't believe the things you say
I can't believe the things you say
Tell me, tell me, tell me the lies I can't believe the things you say
I can't believe the things you say
Tell me, tell me, tell me the lies Fasting love will lead us all to nowhere
When, when will we learn?
I shall avenge the death of all the romance
Until, until I'm gone I can't believe the things you say
I can't believe the things you say
Tell me, tell me, tell me the lies I can't believe the things you say
I can't believe the things you say
Tell me, tell me, tell me the lies Tell me the lies
Tell me the lies
Tell me, tell me the lies
