## **Christmas At Ground Zero**

## "Weird Al" Yankovic

It's Christmas at Ground Zero

There's music in the air

The sleigh bells are ringing and the carolers are singing

While the air raid sirens blareIt's Christmas at Ground Zero

The button has been pressed

The radio just let us know

That this is not a testEverywhere the atom bombs are dropping

It's the end of all humanity

No more time for last-minute shopping

It's time to face your final destinyWell it's Christmas at Ground Zero

There's panic in the crowd

We can dodge debris while we trim the tree

Underneath the mushroom cloudYou might hear some reindeer on your rooftop

Or jack frost on your windowsill

But if someone's climbing down your chimney

You better load your gun and shoot to killOh, it's Christmas at Ground Zero

And if the radiation level's okay

I'll go out with you and see all the new

Mutations on new year's dayIt's Christmas at Ground Zero

Just seconds left to go

I'll duck and cover with my yuletide lover

Underneath the mistletoeIt's Christmas at Ground Zero

Now the missiles are on their way

What a crazy fluke

We're gonna get nuked on this jolly holidayWhat a crazy fluke

We're gonna get nuked on this jolly holiday
