

Can I Keep Him?

Anja Garbarek

In the end
There was no-one to see
No helicopters in the
sky the next day
Or the day after
No-one was searching
'Cause no-one knew
he was missingHe followed me home
Can I keep him
He followed me
A pretty boy like you
With hands that could
break me in two
But don't
Breaking away gently
Come on
Let's goHe's still warm
And close to me
I can see tears in his eyes
And I feel betterHe followed me home
Can I keep him
He followed me
In the end
There was no-one to see
No helicopters in the
sky the next day
Or the day after
No-one was searching
'Cause no-one knew
he was missing
