

# Fat Lip (Acetronik Remix)

## Sum 41

Strollin' to the party like my name is El ninio  
Well I'm hangin' out drinking in the back of an El camino  
As a kid, was a skid and no one knew me by name.  
I trashed my own house party cause no body came. Well I know I'm not the one you thought you knew back in  
high school  
Never going, never showing up when we had to.  
Attention that we crave don't tell us to behave,  
I'm sick of always hearing act your age. I don't want to waste my time  
Become another casualty of society.  
I'll never fall in line  
Become another victim of your conformity  
And back down. Because you don't  
Know us at all we laugh when old people fall.  
But what would you expect with a conscience so small.  
Heavy metal and mullets is how we were raised.  
Maiden and priest were the gods that we praised Cause we like having fun at other peoples expense and,  
Cutting people down is just a minor offense then,  
It's none of your concern, I guess I'll never learn.  
I'm sick of being told to wait my turn. I don't want to waste my time  
Become another casualty of society.  
I'll never fall in line  
Become another victim of your conformity  
And back down. Don't count on me, to let you know when.  
Don't count on me, I'll do it again.  
Don't count on me, it's the point you're missing.  
Don't count on me, cause I'm not listening. Well I'm a no goodick lower middle class brat,  
Back packed and I don't give a shit about nothing.  
You be standing on the corner talking all that kufuffin.  
But you won't make any sense from all the gas you'll be huffing.  
And if the egg don't stain you'll be ringing off the hook,  
You're on the hit list wanted in the telephone book.  
I like songs with distortion, drinkin' in proportion.  
The doctor said my mom should have had an abortion. I don't want to waste my time  
Become another casualty of society.  
I'll never fall in line  
Become another victim of your conformity  
And back down.  
Waste my time with a  
Casualty of society.

Waste my time with a  
Victim of your conformity  
And back down.
