

Angel Fingers (A Teen Ballad)

Wizzard

As I was laying in my bedroom fast asleep
Filled with those famous teenage pictures that you keep
Will Dion still be so important to you on your wedding day?

Angel fingers, angel fingers

How I sing for the things you do

How it lingers, angel fingers

That's why I fell in love with you

I drove my motorcycle to that small cafe
That's when I heard our favorite record start to play

If I'm not singing in a suit that's clinging

Please don't walk away

Angel fingers, angel fingers

How I sing for the things you do

How it lingers, angel fingers

That's why I fell in love with you

If I could land a job with that cool rockin' band
You'd notice me with that red guitar in my hand

With money in my jeans my baby

We'd have all these things we planned

Angel fingers, angel fingers

How I sing for the things you do

How it lingers, angel fingers

That's why I fell in love with you

Oh, angel fingers, angel fingers

How I sing for the things you do

How it lingers, angel fingers

That's why I fell in love with you
