

Spazz Out

Chris Wade

[Verse 1]

Alright hold up, I'm sittin on the couch about to roll up
Lookin at the bills and now I feel like Im-a throw up
Kids about to kill each other, I'm about to blow up
Ya know what, This is why tonight I'm gettin tow up

I show up, to the club

And I'm all gassed up, with a buzz

About to walk fast up, to the mic

Cuz tonight I'm gonna SpaZz Out {Out}

Can't nobody do it like Chris WADE

I'm all about my money, I gets PAID

Ain't nobody hotter than this BABE

Big booty, little waist, nice lips HEY

I tried to told ya, I hustle hard like Louis Scola {hold up}

From the north to the south to the east to the west

I tried to told ya, I hustle hard like Louis Scola {so uh hh}[Chorus]

I'm going to SpaZz Out, I'm going to SpaZz Out

Get off the couch, it's time to SpaZz Out {SpaZz Out}

Get off the couch, it's time to SpaZz Out {SpaZz Out}[Verse 2]

Verse two now I'm feeling kinda loose

Shots of Petron, Jager bombs and the goose

By the end of the song I'll be gone, that's the truth

Holdin up the wall while I'm tryna raise the roof

Ooooo-Wheeee, S to the P to the A to the Z, O-U-T

Ya chic is with you but she's checkin out me

So the second I leave, where you reckon I'll be {hee-hee}

She had the nerve to ask me

How can you drive when you can't even see

Eyes so low, make me look like Chinese

Here baby hit the gweed, it'll make you happy {hee-hee}

Gringo sabe way too much, let me getty poquito touch

Love me long time, fifty bucks {ha-ha} yeh that's wasup

Gringo sabe way too much, let me getty poquito touch

Love me long time, fifty bucks, Now go nuts[Chorus]

I'm going to SpaZz Out, I'm going to SpaZz Out

Get off the couch, it's time to SpaZz Out {SpaZz Out}

Get off the couch, it's time to SpaZz Out {SpaZz Out}[Bridge][Chorus]

I'm going to SpaZz Out, I'm going to SpaZz Out

Get off the couch, it's time to SpaZz Out {SpaZz Out}

Get off the couch, it's time to SpaZz Out {SpaZz Out}[Chorus]

I'm going to SpaZz Out, I'm going to SpaZz Out

Get off the couch, it's time to SpaZz Out {SpaZz Out}
