

# Waitin' For the Wind

## Spooky Tooth

Lonely is the night  
and now darkness has fallin  
Nothing seems right  
and the world is callinEverybody's looking back  
As the wind comes whispering by  
They 're waitin' for the answers then  
Like the time they heard a cryHang on  
Don't ever go  
Life's here  
I knowWind called on me  
How it took me by surprise  
Cause night comes upon me  
Creeping through the distant skiesWind tell me what you can  
'Bout the life - Where I came from  
A breeze blew and whispered then  
In a voice rich as the sunHang on  
Don't ever go  
Life's here  
I know
