Immigration Man

David Crosby

There I was at the immigration scene
Shining and feeling clean, could it be a sin?
I got stopped by the immigration man
He said he doesn't know if he can let me inLet me in, immigration man
Can I cross your line and pray?
I can stay another day, won't you let me in, immigration man?
I won't toe your line today, I can't see it anywayThere he was with his immigration face
Giving me a paper chase but the sun was coming
'Cos all at once he looked into my space
And stamped a number all over my face and he sent me runningCome on and let me in, immigration man
Can I cross your line and pray?
I can stay another day, won't you let me in, immigration man?
I won't toe your line today, I can't see it anywayHere I am with my immigration form and it's big enough to keep me warm
When a cold wind's coming, go where you will
As long as you think you can, you'd better watch out
Watch out for the man anywhere you're goingCome on and let me in, immigration man
Can I cross your line and pray?
I can stay another day, won't you let me in, immigration man?
I won't toe your line today, I can't see it anyway
