

Suffer The Children

Tears for Fears

It's a sad affair
When there's no one there
He calls out in the night
And it's so unfair
At least it seems that way
When you gave him his life And all this time he's been getting you down
You ought to pick him up when there's no one around
And convince him
Just talk to him
'cause he knows in his heart you won't be home soon
He's an only child in an only room
And he's dependent on you
Oh he's dependent on you And it seems so strange
That at the end of the day
Making love can be so good
But the Pain of birth
What is it worth
When it don't turn out the way it should And all this time he's been getting you down
You ought to pick him up when there's no one around
And convince him
Just talk to him
'cause he knows in his heart you won't be home soon
He's an only child in an only room
And he's dependent on you
Oh, he's dependent on you la la la la la la, la la la la la
la la la la la la la, la la la la la
la la la la la la la, la la la la la
la la la la la la la, la la la la la Suffer, suffer the children
Suffer, suffer the children
Suffer, suffer the children
Suffer, suffer the children
Suffer, suffer the children
Suffer, suffer the children
