Drown

Chasen

Walking the beach 4 A.M.
Listening to the waves as they crash upon the sand.
It's just a black sea, the moonlight, and me
It's sink or swim
Drowning within you
Somebody rescue me
Cause I"m going against the streamFell in love with somebody like you
And I know that, yeah, you wanted me to
You told me who I was
But I don't want to,
No I don't want to
I don't want to
I don't want to drownThinking about these words
How do they fit and how do they come together?
What do they mean?
Once again, I"m alone, and it's just me
It's sink or swim
Drowning within you
Somebody rescue me
Cause I'm going against the streamI fell in love with somebody like you
And i know that, yeah, you wanted me to
You told me who I was
But I don't want to
No I don't want to
I don't want to
I don't want to drown
I don't want to drown
No...Yeah, it's sink or swim
Drowning within you
Somebody rescue me
Cause I'm going against the streamI fell in love with somebody like you
And I know that, yeah, you wanted me to
You told me who I was
But I don't want toI fell in love with somebody like you
And I know that, yeah, you wanted me to
You told me who I was
But I don't want to
No I don't want to
I don't want to

I don't want to drownI don't want to drown
I don't want to drown
No, no, no, no
I don't want to drown
No, no, no, no, no
I don't want to drown
