

Life on Earth

Musiq Soulchild

(Verse)

I think I should take a picture of this (uh)
Cause I don't ever wanna forget this moment (no)
Its impossible how you're this
Perfect and you're more than
Worth the time and work I put in (yeah)
I done chose you over all my others (situations)
And its kinda hard to let em go but (you were patient)
Oh yeah
And there's no limitation to how
Much I appreciate you cause(Chorus)
Loving you is all I wanna do
In this life on Earth
Cause eryday we spend together's like a dream come true
Yeah.....And if I don't do nothing else
In this life on Earth
I promise that Im gonna live it out
loving you(Verse)
I don't know if I can say I'm deserving
(Of a blessing so divine) No
But I know I cant fulfill my purpose
(Just say you'll stay by my side)
Cause girl you make me better
Say that you'll leave me never
And we can do this forever and forever yeah (yeahah)(Pre-Chorus)
I done chose you over all my others (situations)
And you should know I'd do it again with no (hesitation)
Cause baby you're the reason
That now I truly believe in the meaning of love(Chorus)
Loving you is all I wanna do
In this life on Earth
Cause eryday we spend together's like a dream come true
Yeah.....And if I don't do nothing else
In this life on Earth
I promise that Im gonna live it out
loving you(Bridge)
You are everything that I want....that I need
Nothing....matters when
You are....here with me

You are....everything that I want...that I need
Nothing..... matters when
You are.....here with me(Chorus)
Loving you is all I wanna do
In this life on Earth
Cause eryday we spend together's like a dream come true
Yeah.....And if I don't do nothing else
In this life on Earth
I promise that Im gonna live it out
loving you
