Keep On Lovin'

Dave Hollister

In Atlantic city where all the girls at baby
This song goes out to all the women in the club at night
Lemme see you with your hands
And your glasses in the air
You're the kind of girl every brotha wants
And needs in their life, yeah yeah
No matter what the situation is
You stand by me whether I'm wrong or right
And even when we're in the middle of an argument
Cussin' each other out, oh yeah
In my heart, I'm admiring your feisty ways
Then we kiss and make up, love won't let us break up
Baby keep on lovin' me
Loving me just like you do
I want you to please believe
I'm gon' keep on lovin' you
If by chance, for whatever reason I got held up
And landed myself in jail
You would call everyone you knew
Raisin' hell to help me make bail
That's why I don't mind spoilin' you
Spendin' quality time, 'cuz you hold me down, yeah
But there's so many lonely women that could learn from you
You know how to keep a man, you just let him be a man, oh
Baby keep on lovin' me
Loving me just like you do
I want you to please believe
I'm gon' keep on lovin' you
Listen babe, damn what people say
I see myself with you, forever baby
'Til my dying day
Nowhere, so promise me you'll keep on loving me
Baby keep on lovin' me
Loving me just like you do
I want you to please believe
I'm gon' keep on lovin' you
Baby keep on lovin' me
Loving me just like you do
I want you to please believe

I'm gon' keep on lovin' you
Baby keep on lovin' me
Loving me just like you do
I want you to please believe
I'm gon' keep on lovin' you
Baby keep on lovin' me
Loving me just like you do
I want you to please believe
I'm gon' keep on lovin' you
Baby keep on lovin' me
Loving me just like you do
I want you to please believe
I'm gon' keep on lovin' you
