

Nobody Knows

[Paul McCartney](#)

I said nobody knows, nobody knows
Which one of you can tell me
What is I'm looking at
Anyone who can has got to be a crazy cat 'Cause I believe that
That nobody knows
No nobody knows
Yeah, nobody knows, no Lord, I cannot tell you
Well, that's the way I like it
Yeah now, nobody knows Nobody knows
Oh, nobody knows
Well Lord, you know that nobody knows Samson and Delilah would have made a crazy pair
If that silly woman hadn't shaven off his hair
I believe that nobody knows
Yeah, nobody knows, no no But that's the way I like it
Ohh now, nobody knows
That's the way I like it, nobody knows I may go hungry, maybe next week
Well if I do then I'll still find something to eat
And you know, nobody knows No nobody knows
Well that's the way I like it
Baby, nobody knows And that includes you, honey
(Nobody knows)
I'll pay your rent
I'll do you right
(Nobody knows)
Most every night But still there's nobody knows
No now, nobody knows
And that's the way I like to keep it
Just so nobody knows
