

# Mass Pike

## The Get Up Kids

I wonder when I wander home  
If I'll be fit to drink alone  
Sleep with my memories  
Pictures, apologies For every minute yesterday  
Regret reminds me anyway  
If I remember anything  
I'll make mistakes again Last night on the mass pike  
Thought I was losing you  
Last night on the mass pike  
I fell in love with you I will declare a holiday  
The night that she turned me away  
I'm drowning in my miseries  
It solves everything Last night on the mass pike  
Thought I was losing you  
Last night on the mass pike  
I fell in love with you , with you Last night on the mass pike  
Thought I was losing you  
Last night on the mass pike  
I fell in love with you Last night on the mass pike  
Thought I was losing you  
Last night on the mass pike  
I fell in love with you
