

# Snowblind

## Black Sabbath

What you get and what you see  
Things that don't come easily  
Feeling happy in my pain  
Icicles within my brain  
(cocaine)Something blowing in my head  
Winds of ice that soon will spread  
Down to freeze my very soul  
Makes me happy, makes me coldMy eyes are blind, but I can see  
The snowflakes glisten on the tree  
The sun no longer sets me free  
I feel the snowflakes freezing meLet the winter sunshine on  
Let me feel the frost of dawn  
Build my dreams on flakes of snow  
Soon I'll feel the chilling glowDon't you think I know what I'm doing  
Don't tell me that it's doing me wrong  
You're the one who's really a loser  
This is where I feel I belongKiss the world with winter flowers  
Turn my days to frozen hours  
Lying snowblind in the sun  
Will my ice age ever come
