Use Your Heart

SWV

Alone you and I intertwine
Refreshing conversation for the mind
As we stare we both seek and hope to find
Real love purifiedUse your heart and not your eyes
Baby, just relax and ride
If you got time then I got time, yeah, yeah
Free your thoughts and watch them fly
Use your heart and not your eyesI sigh as I watch you sleeping there
So easily I did things I'd never dare
I say to myself I'm glad that we share
Real love purified, ohUse your heart and not your eyes
Baby, just relax and ride
If you got time then I got time, yeah, yeah
Free your thoughts and watch them fly
Use your heart and not your eyesMy goodness how it seems like yesterday
She crossed you hurt you in the strongest way
You hurt so long reward come to those who cry
Real love purifiedJust a second I look at my watches dial
And you love me helpin' me like a child
As we lay I close my eyes and I smile
At your real love purifiedUse your heart and not your eyes
Baby, just relax and ride
If you got time then I got time
Free your thoughts and watch them fly
Use your heart and not your eyes
Use your heart and not your eyesIf you got time then I got time
Free your thoughts and watch them fly
Use your heart and not your eyes
Use your heart and not your eyesIf you got time then I got time
Free your thoughts and watch them fly
