

# just one last time

## Sarah Connor Feat. Natural

This is the end station  
But I can't move away from you  
This is the edge of patience  
But you won't prove yourself to me  
Still you drain my soul and  
Even though it hurts I can't slow down  
Walls are closing in and I hit the ground  
Whispers of tomorrow echo in my mind  
Just one last time  
Even though it hurts I can't slow down  
Walls are closing in and I hit the ground  
Whispers of tomorrow echo in my mind  
Just one last time  
Just one last time  
Just one last time  
Just one last time

There comes a time for us to part,

Then right back to the start.  
And I know what I'm supposed to do  
Can't get myself away from you  
Oh you drain my soul and  
Even though it hurts I can't slow down  
Walls are closing in and I hit the ground  
Whispers of tomorrow echo in my mind  
Just one last time  
Even though it hurts I can't slow down  
Walls are closing in and I hit the ground  
Whispers of tomorrow echo in my mind  
Just one last time  
Just one last time  
Just one last time  
Just one last time  
This is the end station  
But I can't move away from you
