Everywhere I Go (Instrumental)

Got A Girl

She's turning, she's turning
On her hinges, never slowing
She's burning, she's burning
All the bridges where she's going
She's turning, she's turning
All the faces in the mirror wait
As she's fallingSpinning slowly, take me over
Make me feel like I am floating
Up and over, take me under
Now I'm free
I'm in the wings
Looking at the lights now
Everywhere I go, everywhere I go
I'm in the wings
Sitting in the lights now
Everywhere I go
I'm falling by myself nowShe feels it, she feels it
Running through her, running through her
She's drowning, she's drowning
As it's coming, rising higher
She fels it, she feels it
Softly swaying, softly saying, now
I am with youSpinning slowly, take me over
Make me feel like I am floating
Up and over, take me under
Now I'm free
I'm in the wings
Looking at the lights now
Everywhere I go, everywhere I go
I'm in the wings
Sitting in the lights now
Everywhere I go
I'm falling by myself nowMind aflame, I'm soarin' close to you
In the flames, I fall away from youI'm in the wings
Looking at the lights now
Everywhere I go, everywhere I go
I'm in the wings
Sitting in the lights now
Everywhere I go

I'm falling by myself now
