

Second Chance (For Love)

Gabrielle

I always thought that I knew it all, but I knew nothing.

I couldn't see I was destined to fall, now it's too late. Took you for granted - I always thought you'd be there.

I didn't notice, when your presence became scarce. Took you for granted - I always thought you'd be there

I didn't notice, when your presence became scarce. I always thought I knew it all, the truth was I knew nothing.

Couldn't see I was destined to fall, before it was too late, no. I always thought I knew it all, the truth was I knew nothing.

Couldn't see I was destined to fall, before it was too late, no. I paid the price, 'cause now you're gone from my life, and I have nothing.

So caught in myself, cared for no one else, now you've slipped away. I always thought I knew it all, the truth was I had nothing.

Couldn't see I was destined to fall, but now it's too late. Wanted a second chance, but you won't take me back.

I'm full of regrets, if you asked me back, baby, I'd say yes.
