

I Don't Want to Lose You

The Greencards

Who do you think you are? Who do you wanna be?
You're the only one that really knows
Maybe you'll be surprised after your search is through
When you find you've just been chasing you

Believe me, I understand
The vision of your mind
But I'm so afraid that the girl you'll find
May not need a man like me

I don't wanna lose you
I love you as you are
I don't wanna lose you
I couldn't love you more, more

Tell me, love will remain
Though we may change

I really think that you have little faith in me
You're the only one I'll ever need
If you really understand how much you mean to me
All your doubts would fade and disappear

Maybe you'll never find
The secrets of your mind
But you've got to try that I realize
And I'll help you all I can

I don't wanna lose you
I love you as you are
I don't wanna lose you
I couldn't love you more, more

Tell me, love will remain
Though we may change

I don't wanna lose you
I love you as you are
I don't wanna lose you

I couldn't love you more

I don't wanna lose you
I love you as you are
I don't wanna lose you
I couldn't love you more

I don't wanna lose you
I love you as you are
I don't wanna lose you
I couldn't
