## KIDZ BOP Kids

Hey, I was doing just fine before I met you  
I talk too much and that's an issue but I'm okay  
Hey, you tell your friends it was nice to meet them  
But I hope I never see them again I know it breaks your heart  
Moved to the city in a broke down car  
And four years, no calls  
Now you're looking pretty but you are so far  
And I can't stop  
No, I can't stop So baby pull me closer as we stand against Rover  
That I know they can't afford  
Brush that stress right off your shoulder  
Pull the sheets right off the corner  
Of the notebook that you stole  
From your friends way back in Boulder  
We ain't ever getting older We ain't ever getting older You look as good as the day I met you  
I forget just why I left you, I was insane  
Stay and play that Blink-182 song  
That we played to death in Tuscon, okay I know it breaks your heart  
Moved to the city in a broke down car  
And four years, no calls  
Now you're looking pretty but I am so far  
And I can't stop  
No, I can't stop So baby pull me closer as we stand against Rover  
That I know they can't afford  
Brush that stress right off your shoulder  
Pull the sheets right off the corner  
Of the notebook that you stole  
From your friends way back in Boulder  
We ain't ever getting older We ain't ever getting older So baby pull me closer as we stand against Rover  
That I know they can't afford  
Brush that stress right off your shoulder  
Pull the sheets right off the corner  
Of the notebook that you stole  
From your friends way back in Boulder  
We ain't ever getting older (we ain't ever getting older)  
We ain't ever getting older (we ain't ever getting older)  
We ain't ever getting older (we ain't ever getting older)  
No we ain't ever getting older No we ain't ever getting older
