

# Get Yourself Together

## The Paul Butterfield Blues Band

Tell me while you're jivin'  
While all my love is true  
All my lovin' and a huggin', baby  
It was meant for you Get yourself together, yeah  
Don't you tell no lie, ah, don't you lie  
You've been burning both ends of the candle, baby  
Gonna get you by and by I see by your expression  
Of shock and disbelief  
You know I'm not mistaken, baby  
So I'll just make it brief Get yourself together, baby, yeah  
Don't you lie to me, ah, ah, don't you lie to me  
You've been running around and cheatin', baby  
Gonna get you, wait and see Hey baby, you may think I'm rappin'  
And don't mean what I say  
But if I have to leave you, baby  
Just don't give no way Get yourself together, girl  
Don't you tell no lie, ah, don't you lie, yeah  
You've been running around and cheatin', baby  
Gonna get you by and by, ah, go get your bye bye, baby You may think I'm rappin'  
And don't mean what I say  
But if I have to leave you, baby  
You better not get in my way Get yourself together, girl  
Don't you tell no lie, ah, don't you lie  
You've been running around and cheatin', baby  
Gonna get you by and by, by, by, by I'm goin' by, baby, I'm goin' by  
Got my packed bag  
And I'm leaving this house  
Slammin' the door behind my back I'm goin', leavin', quitin'  
Ain't gonna come back no more  
I'm catchin' that 9 o'clock train  
And I'm sayin', bye bye, baby  
Bye bye, bye baby, I'm gone
