Friends to Lovers

AlunaGeorge

I usually wait for you to call
But it's getting closer between me and you
I usually make shut up
I know you want me
That's getting old
Change is dueHow do you make the change form friends to lovers?
When you is looking like a fool
Maybe it will be safer playing sister and brother
But I'm going crazy trying to stay cool
We could be perfect
We could be useless
It could be worth finding out
We could be wasting time weeping
This feeling I have as a sing
But do I have my doubtsSometimes when you look me in the eyes
You hold it for too long
And I start to blush
Sometimes when you say hallo and
Take me in your arms
You hold me strong and I get this rushHow do you make the change form friends to lovers?
When you is looking like a fool
Maybe it will be safer playing sister and brother
But I'm going crazy trying to stay cool
We could be perfect
We could be useless
It could be worth finding out
We could be wasting time weeping
This feeling I have as a sing
But do I have my doubts
