

# Fire in Your New Shoes

## Kaskade

I like that outfit, the zipper's pinchin'  
But if you want it any tighter, we could cinch it  
Dress up leather, wear every color  
I'm going Rococo with sequins in the summer So come  
Twirl your dresses around  
Lift your cotton socks on  
And turn your cameras on now for the fun While I light a fire in your new shoes  
If you should smile, look so surprised  
While I light a fire in your new shoes  
Look out that your soles don't burn to the floor I light the fire  
I light the fire Buttons are busted, we're decorated  
We make an ornament with gold and silver plating  
So what's the latest, we raise a fever  
We're just all red inside, that's all to see here Yeah, we're red inside, we're all red inside  
And the leg bone's connected to the one in the thigh  
We are red inside, we're all red inside  
And the leg bone's connected to the one in the thigh So come oh, oh, oh  
Twirl your dresses around uh, uh, uh  
Lift your cotton socks, sock, sock, sock, sock  
Turn your cameras oh, oh, oh, oh, oh While I light a fire in your new shoes  
If you should smile, look so surprised  
While I light a fire in your new shoes  
Look out that your soles don't burn to the floor While I light a fire in your new shoes  
If you should smile, look so surprised  
While I light a fire in your new shoes  
Look out that your soles don't burn to the floor While I light a fire  
I light a fire
