

# Closed Eye Visuals

## Meshuggah

Unbound to the pale and lifeless day  
By the multicolored, multiform  
A spinning anti dream unthought  
Exceeding the obsolete realityOverheated inner shape generator  
Blowing every cerebral fuse  
Insanity filtered and systematized  
Feeding the tools of mind abuseMind signal transmission peaked  
Distorted, bent, unrestrained  
Neuroreceivers short circuit  
System parameters over gainedNerve threads decoding the stream  
Of the reality inverting revolution  
The patterned untruth of non dream  
The closed eye visual delusionA frantic cellular race down  
The switchbacks of mind  
Throttling the existence engine  
A propulsion beyond all limit linesConvulsive thrusts of septic energy  
As infected cells collide  
Unleashing the video bacterial disease  
The sinew conducted pseudo visionMind signal transmission peaked  
Distorted, bent, unrestrained  
Neuroreceivers short circuit  
System parameters over gainedNerve threads decoding the stream  
Of the reality-inverting revolution  
The patterned untruth of non dream  
The closed eye visual delusionSelf unfolds like a disintegrating dream  
All revealed but the sinister cause  
My lying eyes come apart at the seams  
Still how could I ever regret the lossThe self transformed into wave lengths  
Reverberating this unyielding dream  
Lost in this greedy illusion  
I'm forever devoured by the closed  
Eye visual delusionA twirling visual overload  
Explosions of terror and beauty  
Colors of fear and pain within  
Clash into unanythingA spectra organic frenzy setting fire  
To the neuro highways of mind  
Revolving me away from time  
A soul now rendered unassigned
