

# I Got Lucky

Elvis Presley

Never found a four leaf clover to bring good luck to me  
No rabbit's foot no lucky star, no magic wishing tree

But I got lucky (I got lucky), yes, I got lucky (lucky me)  
When I found you, oh yeah

Got no rainbow around my shoulder, no horseshoe on my door  
But I got you to hold me tight and who could ask for more

But I got lucky (I got lucky), yes, I got lucky (lucky me)  
When I found you (when I found you)

I always walk around with all my fingers crossed  
I'm afraid the love I found just might get lost

So won't you tell me that you love me, hurry up and name the day  
And then I'll know that my good luck is really here to stay

But I got lucky (I got lucky), yes, I got lucky (lucky me)  
When I found you (I found you)

I always walk around with all my fingers crossed  
I'm afraid the love I found just might get lost

So won't you tell me that you love me, hurry up and name the day  
And then I'll know that my good luck is really here to stay

But I got lucky (I got lucky), yes, I got lucky (lucky me)  
When I found you (I found you)

But I got lucky (I got lucky), yes, I got lucky  
When I found you
