

Simple Thing

The Silent Comedy

It's a simple thing
If you're wondering
Well no, I do not think of you at all
'Cause I'm in between
The deep blue sea
And the devil I've left hiding in my heart
Well, that devil's always hiding in my heart
But when he finds you
Let me remind you
It's alright, it's okay
You can find the words to say
He lets your voice start to break
Because it's beautiful
It's okay, it's alright
It's so bright it hurts your eyes
Bring your scars into the light
Because they're beautiful
Yeah

It's a simple thing
When you're young and clean
To think you just can not help to win them all
It's a fever dream
It keeps boiling
Every time you let that devil in your heart
That devil's always hiding in your heart
He's going to find you
So let me remind you
It's alright, it's okay
You can find the words to say
He lets your voice start to break
Because it's beautiful
And it's okay, it's alright
It's so bright it hurts your eyes
Bring your scars into the light
Because they're beautiful
Ooooooh
La da da da da
La da da da da
Ooooooh

La da da da da
La da da da da
It's alright, it's okay
You can find the words to say
He lets your voice start to break
Because it's beautiful
And it's okay, it's alright
It's so bright it hurts your eyes
Bring your scars into the light
Because they're beautiful
Yeah
Because they're beautiful
Ohhh
Because they're beautiful
You know they're beautiful
