

Viva Forever (Themis Ethnic Latino Ambient Mix)

Spice Girls

(Ah ah)
(Ah ah)Do you still remember, how we used to be
Feeling together, believing whatever
My love has said to me
Both of us were dreamers
Young love in the sun
Felt like my saviour, my spirit I gave you
We'd only just begun
Hasta maÃ±ana, always be mineViva forever, I'll be waiting
Everlasting, like the sun
Live forever, for the moment
Ever searching for the oneYes I still remember, every whispered word
The touch of your skin, giving life from within
Like a love song that I'd heard
Slippin' through our fingers, like the sands of time
Promises made, every memory saved
Has reflections in my mind
Hasta maÃ±ana, always be mineViva forever, I'll be waiting
Everlasting, like the sun
Live forever, for the moment
Ever searching for the one(Ah)Back where I belong now, was it just a dream
Feelings unfold, they will never be sold
And the secret's safe with me
Hasta maÃ±ana, always be mineViva forever (viva forever), I'll be waiting (I'll be waiting)
Everlasting (everlasting), like the sun (like the sun)
Live forever (live forever), for the moment (for the moment)
Ever searching (ever searching) for the one (for the one)
Viva forever (viva forever), I'll be waiting
Everlasting, like the sun
Live forever (live forever), for the moment
Ever searching for the one
