Alex Whitcombe & Simon Duffy

Breathing you in when I want you out,  
Finding our truth in a hope of doubt,  
Lying inside our quiet drama.  
Wearing your heart like a stolen dream,  
Opening skies with your broken keys,  
No one can blind us any longer.  
We'll run where lights won't chase us,  
Hide where love can save us,  
I will never let you go.  
We'll run where lights won't chase us,  
Hide where love can save us,  
I will never let you go.  
(Instrumental break)  
Breathing you in when I want you out,  
Finding our truth in a hope of doubt,  
Lying inside our quiet drama.  
(Instrumental break)
