

# Neck Tattoo

## Jessica Hernandez & The Deltas

Were tryin to change, quietly rearrange, but were bound to what we were before  
So were hidin in bars, cuz its all that is ours and the blame aint placed on us no more  
All been livin like were lawless, In a place that only makes you second guess.  
Guilt sick stricken like were helpless for wantin bigger things just like the rest.  
Tattoo our necks and we start to regret, said we feel like hell  
Teenage dreamers such loveable sinner far as I can tell  
Sayin oohh ohh ohh you know they're gonna wish us well  
Ohh ohh ohh ohh you know they're gonna wish us well.  
Were makin mistakes with the steps we take, waitin for rain to turn to gold  
And were climbin on trees just to see what they see cuz it cant be true what we've been told.  
All been livin like were lawless, In a place that only makes you second guess.  
Guilt sick stricken like were helpless for wantin bigger things just like the rest.  
Act like were dreamin cuz you know when you're sleepin everything goes well  
Make believe its workin, that it all is worth it and there aint no hell.  
Sayin oohh ohh ohh you know they're gonna wish us well  
Ohh ohh ohh ohh you know they're gonna wish us well.  
Hows bout time we're movin on cuz we aint got time to go like the others ones  
We aint got time to be just like the rest  
Hows bout time we're movin on cuz we aint got time to go like the others ones  
We aint got time to be just like the rest  
Said that you want it you know you're gonna get it you know they're gonna wish us well.  
Said that you want it you know you're gonna get it you know they're gonna wish us well.
