## The Way You Look Tonight

## **Matt Dusk**

Some day when Im awfully low When the world is cold I will feel a glow just thinking of you And the way you look tonightYes, youre lovely with your smile so warm And your cheeks so soft There is nothing for me but to love you And the way you look tonightWith each word your tenderness grows Tearing my fears apart And that laugh, how it wrinkles your nose It touches my foolish heartLovely, never, never change Keep that breathless charm Won't you please arrange it 'cause I love you Just the way you look tonight? With each word your tenderness grows Tearing my fears apart And that laugh, baby, it wrinkles your nose It touches my foolish heartLovely, don't you ever change And keep that breathless charm Won't you please arrange it 'cause I love you Just the way you look tonight? Just the way you look tonight
