

Your Own Reality (Tracid Mix)

Kai Tracid

Distorted voice:

Your own realitywe all came tonight - to this celebration

Because we are a part of the new generation

Close your eyes - and you can see it

This world of music - that makes you highopen your mind - to the pathway of truth

Let the colors of life - help you fly

You can walk through this world - of dreams and fantasy

And you will find - your own reality
